Dear Jim:

I was most pleasantly surprised to receive report
and order of the board in Attorney General vs. American
Comm. for Protection of Foreign Born.

Actually I was flattered that you remembered me.
I had hoped to make the 35th reunion but circumstances
prevented. On June 2nd the chairman of our board had a
major operation for removal of the lower lobe of his left
lung to remove a cancerous tumor. It was successful. I
felt I should be here.

Haven't had time to finish reading your report
but from several references it appears you were most thorough
in your investigation. We need a great deal more of this good
work. This country is practically an open book for spies.
It is reported here that a year or so ago attaches of the
Russian Embassy came to Tulsa and purchased aerial photographs
of Tulsa and environs.

I am not engaged full time in the practice of law,
although I keep active membership in the Okla. Bar Association
and handle some matters occasionally. Building this company
up takes most of my time. However I enclose a photo of a
practicing attorney here, and his wife. He is my son Philip.
The blonde is his wife. They have a son almost four and my
daughter has a daughter so you can see I am most fortunate.

I hope to get to New York this fall via D. C. and if
I possibly can will get in touch with you and [redacted]
for a much desired visit.

Thanks again for sending me the report. I send
my best wishes for your continued good health and prosperity.

Best regards,

(signed) Jim

MEMORANDUM FOR: Mr. Dulles:

The report referred to in the 1st paragraph of the letter to James Duncan from J. L. Finegan was a proceeding initiated by the Attorney General for an order to be issued by the Subversive Activities Control Board making a determination that the American Committee for the Protection of the Foreign Born is a communist front organization. The Board did conclude that the Committee does meet the definition of a communist front organization and issued an order to the Committee to register as such under the federal law.
